15+ years legislative advocacy

White House Council advisor

KEYNOTE SPEAKER · RESILIENCE CONSULTANT

"Society doesn't move by you being quiet."

ABOUT

Giovan Bazan is an internationally recognized keynote speaker and resilience consultant. His work spans legislative advocacy, federal advisory roles, and stages across four continents. He didn't study resilience — he built it navigating systems and environments that demanded it for over 35 years. That's what he brings to every room.

KEYNOTES

01 Resilience Is Consistency Amidst Chaos

Frameworks to perform consistently — in growth and in crisis.

02 Society Doesn't Move By You Being Quiet

Voice, courage, and moving from awareness to action.

03 The System Wasn't Broken. It Was Working as Designed.

For leaders ready to stop patching and start redesigning.

04 Grounded on Purpose

Staying rooted in identity when everything pushes back.

05 I Was That Child

For nonprofits, donors, and the people who show up.

"An inspiration to all of us."
